Flowchart of reporting options for BME students who wish to report racist behaviour of other students

1. University Anonymous Reporting
   - No action will be taken. The information is recorded for monitoring purposes.

2. Raise a disciplinary concern
   - More information on the next steps can be found here.

3. Informal complaint procedure
   - A mechanism used to reach a behavioural agreement, by limiting the interactions between the students. It won't investigate the behavior and it won't make any findings.

4. End Everyday Racism Incident Report
   - A safe and confidential way of recording racist experiences at Cambridge that have happened to you, someone you know or you've witnessed.

5. Report to your College
   - Speak with your Tutor, College Discrimination & Harassment Contact or someone you trust in your College about your experience. When wanted you can ask about the formal procedures and how to initiate these.

6. Report to Police
   - Formally report your experience using your College’s relevant procedure, e.g. Harassment & Sexual Misconduct procedure, Complaints procedure or Discipline procedure.

The Student Advice Service can provide a safe space for you to share your experiences, help you explore reporting options and identify what support you can access from your College, University and externally.
