

GRANT TERMS AND CONDITIONS

In order to make a grant application:

- You must be a University of Cambridge student.
- You must provide a clear account of exactly what item(s) the grant awarded will be spent on.

The SU cannot give grants for:

- Purchases any illegal items (note though that otherwise, requests are assessed on a case-by-case basis).
- Purchases or payments for services from the SU itself (e.g. a Freshers' Fair stall booking).
- Purchases made prior to a grant being successfully awarded.
- Money or resources to be donated to other organisations, including charities.
- Any activity that is directly or indirectly supporting a political party.
- Items or projects that have a recurring cost (e.g. subscriptions) - please note that the Society Start-Up Grant is excluded from this.
- Unnecessary or Environmentally Harmful Travel: Funding will not cover travel deemed excessive or environmentally damaging and will usually only be granted for public transport. We will not cover air travel.
- Recurring Events: Only one-off events are eligible. Funding cannot be provided for a series of events.
- Partial Funding: The SU cannot give contributions towards a cost greater than the funding limit of the grant (e.g., £250 towards a room booking fee of £400).
- Food and Drink (Limited Eligibility): General food and drink expenses will not be funded (e.g. refreshments for a gathering). However, food and drink that are an integral part of the event (e.g. traditional food for a cultural event) may be eligible.
- Alcohol will not be funded.
- The SU will not fund events that are likely to be unsafe or bring the SU into disrepute.
- Only one grant per term will be approved per person/student group.
- Activities outside of The United Kingdom.
- Expenditure which only benefits an individual or a small number of individuals.
- Any self-funding event (especially socials or balls) as these events should be ticketed to ensure all costs are covered.
