

SU SOCIETY GRANT APPLICATION EXAMPLE 1

Date the application was completed	27 Oct 2024
Full name of the society	Example 1 Society
Which grant application do you want to apply for?	Community Building Grant
Please state how you intend to use this grant money if awarded:	To purchase a training-AED (automated external defibrillator) to use in first aid scenarios and explanations, so members can become more confident using an AED, which could help save someone's life in an emergency. This will enable us to hold more realistic scenarios and give interactive presentations to members, improving their experience in the society and increasing the likelihood they will remember the first aid skills they have learnt. It will therefore be of benefit both to society members and the greater community.
